FOR IMMEDIATE RELEASE

Muslim Legal Network WA Inc Stands in Support of Sister Senator Fatima Payman

The Muslim Legal Network WA expresses its unwavering support for Sister Fatima Payman in light of her principled stand on Palestinian rights and her commitment to peace. Despite facing criticism from her party and a media campaign against her, Sister Fatima has demonstrated exemplary courage and adherence to Islamic values of justice and humanitarianism.

Sister Fatima's advocacy for Palestinian rights aligns with the fundamental principles of justice, equality, and compassion that are central to our faith. Her efforts to highlight the plight of the Palestinian people and call for a just resolution to the conflict are both commendable and necessary. We stand with her in these efforts and recognize the importance of her voice in the ongoing struggle for peace and justice.

It is disheartening to see the hostile backlash Sister Fatima has faced for her stance. The campaign against her is not only a disservice to her personally but also undermines the broader pursuit of human rights and peaceful coexistence. We call on all members of the Australian community, regardless of their background or political affiliation, to support her in these challenging times.

The Muslim Legal Network WA reaffirms its commitment to upholding justice and supporting those who bravely speak out against oppression. We urge Sister Fatima to remain steadfast in her principles and to continue her invaluable work. Her courage serves as an inspiration to us all, and her contributions to the cause of peace and justice are deeply appreciated.

In solidarity,

Muslim Legal Network WA Incorporated
